

**DAY ONE****Nov. 8 – 12–1:15 p.m. ET****Welcome to the Ingram Micro ONE Experience**

To kick off your ONE Experience, you'll be hearing from Paul Bay on how Ingram Micro can help you run your business better, grow your technology practice faster and ultimately do more for your customers. Stick around to hear from your country leaders on Ingram Micro's global differentiators such as cash flow, centers of excellence and cloud solutions. Then learn to make some fun dishes from all over the world during our international food cooking segments with world-renowned chef Alex Guarnaschelli and host James Cunningham. Finally, close out this first session of the day with John Brookbank, Cisco's VP for Americas Distribution Sales.

Nov. 8 – 1:15–1:45 p.m. ET**IDC and Ingram Micro communities: Run your business better**

Rory Duncan, research vice president for Cloud Services Providers at IDC, discusses trends and shares insights on how you can do more to shape the future of your business.
